## Influences on our choices

Look at some influences on our food choices and an example. Add more influences that you can think of and mention an example.

Which way to go?

| Influence                                                                           | Example                                  |
|-------------------------------------------------------------------------------------|------------------------------------------|
| Culture                                                                             | Greeks eat souvlaki. Spanish eat paella. |
| Time                                                                                |                                          |
| Religion                                                                            |                                          |
|  |                                          |
|  |                                          |
|  |                                          |
