

## Stative Verbs

**Stative verbs** (ή **state verbs**) είναι ρήματα που **δεν περιγράφουν ενέργεια/δράση**, αλλά:

- ✓ συναισθήματα
- ✓ σκέψεις/γνώση
- ✓ αισθήσεις
- ✓ κατάσταση/ιδιοκτησία
- ✓ προτιμήσεις

Συνήθως **ΔΕΝ** χρησιμοποιούνται σε Continuous tenses (π.χ. Present Continuous), αλλά σε Simple tenses.

### ♦ Κύριες κατηγορίες

| Κατηγορία          | Παραδείγματα                                |
|--------------------|---|
| Συναισθήματα       | love, like, hate, prefer                    |
| Σκέψη – Γνώση      | know, believe, understand, remember, think* |
| Αισθήσεις          | hear, see, smell, taste                     |
| Κατάσταση / Υπάρξη | be, seem, look*                             |
| Ιδιοκτησία         | have*, own, belong                          |

\* Μερικά ρήματα μπορεί να έχουν **διαφορετική σημασία** και να χρησιμοποιούνται και σε Continuous:

| Ρήμα  | Simple = κατάσταση                      | Continuous = δράση                              |
|-------|---|---|
| think | believe → <i>I think you are right.</i> | consider → <i>I'm thinking about my future.</i> |
| have  | possession → <i>I have a car.</i>       | experience → <i>We're having dinner.</i>        |
| see   | perceive → <i>I see you clearly.</i>    | meet → <i>I'm seeing the doctor tomorrow.</i>   |
| taste | sense → <i>It tastes sweet.</i>         | test → <i>She is tasting the soup.</i>          |
