

## ΘΕΜΑ 1. ΚΑΤΑΝΟΗΣΗ ΓΡΑΠΤΟΥ ΛΟΓΟΥ

Read the text and decide if each statement (1-10) is True (A) or False (B).

Teacher: Harry, why is Hydra quiet?

Harry: Because there isn't much traffic there, and there aren't any industries.

Teacher: You could be right. Gina?

Gina: There can't be much traffic. Hydra is very small.

George: I'm not sure, but Hydra has no other town or village, apart from the main port. This is the centre of the island. The rest of the island is dry and all rocks.

Teacher: You almost got the answer. No vehicles are allowed on the island.

The only means of transport are mules and donkeys. You can use your feet, of course, if you like!

Nick: I don't like walking up steep roads.

Harry: It's very unusual for a place in Greece not to have any vehicles at all.

Teacher: You're right Harry, but this makes Hydra special. What about its history?

Does anybody know anything about Hydra's history?

Class: .....

Teacher: Come on, say something.

Elena: All I know is that Hydra was important in the Greek War of Independence in 1821.

Teacher: Bravo, Elena!

Class: Wow!

Teacher: Well, the silent group at the back of the class will bring some information on Hydra's history from the library. Their history teacher can help them.

They can also look at tourist guides on travelling in Greece.
