1st Speaker Template

Good afternoon. Today, we strongly support/oppose this motion.

First, let me define...

This debate is about...

Our team will prove this through two main arguments.

My first argument is that...

This is important because...

For example...

My second argument is that...

This matters because...

In conclusion, we believe that...

2nd Speaker Template

Thank you. I will begin by responding to the previous speaker.

Their argument that... is flawed because...

They also said... however...

Now, let me rebuild our case.

Our argument still stands because...

Additionally, I will bring a new argument.

My argument is that...

This is important because...

For these reasons, our side remains stronger.

Today's debate comes down to two key issues.

First,...

Second,...

The other team argued... but we showed that...

We have proven that...

For all these reasons, we are proud to win this debate.
