

An imaginary creature

He is a tall, handsome man. He's very clever and kind. He works as a reporter and is in love with one of his colleagues. When people need his help, he turns into a supernatural creature and flies into the sky, even higher than the birds. He's the strongest man in the city. Most people love him, but he has enemies too, because he always tries to do the right thing.

Now describe your favourite imaginary character. What does he/she look like? What is he/she like? Use as many adjectives and comparatives as possible.

This image shows a full page of white paper with horizontal dashed lines, typical of primary school writing paper. The lines are evenly spaced and run across the width of the page. There are no margins, text, or other markings on the paper.
