

Can I Make My Character Dribble a Basketball?

### 1. Choose Background

New  
Background

OK

### 2. Choose Additional Character

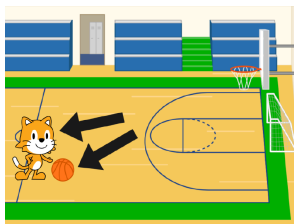

New  
Character

OK

### 3. Move Characters to Start Places

Position the characters by dragging them  
from the center of the screen

### 4. Make Programs

- Can you make the cat shoot the ball into the basket?
- What else can you make with two characters moving at the same time?
