

Can I Make My Characters Talk?

1. Choose Background

New
Background

OK

2. Choose Four Characters

New Character

OK

Then choose three
more, like:

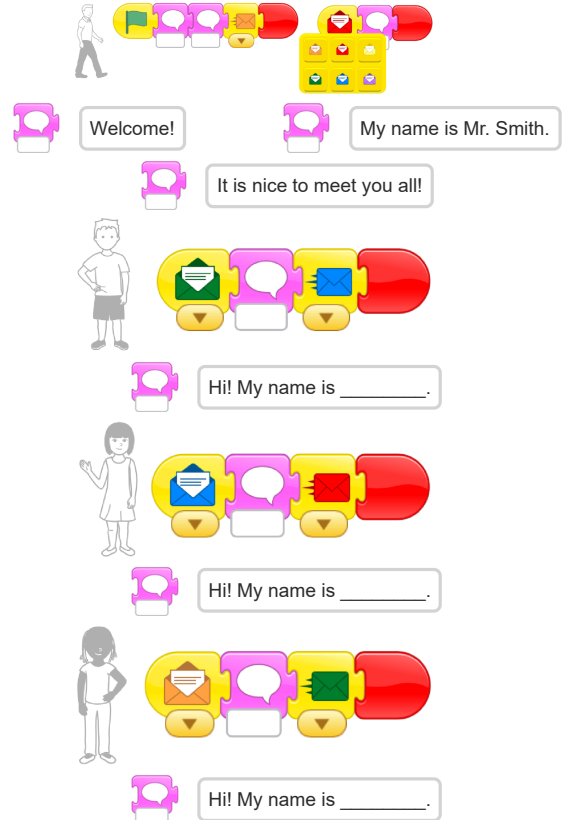

Delete the cat (press and hold)

3. Move Characters to Start Places

Position the characters by dragging them
from the center of the screen

4. Make Programs

- Can you add movement to this scene?
- Now that you can send messages from one character to another, can you make a relay race?
