

# Animals in Danger

English Class - Unit 6, Lesson 3

Let's learn how to protect our wild friends!

# 1. The Brown Bear

---

**Habitat:** It lives in the green forest.

**Appearance:** It is big and brown. It has got thick fur.

**Danger:** People cut down trees. It can't find food.

## 2. The Sea Turtle

**Habitat:** It lives in the blue sea and lays eggs on the beach.

**Appearance:** It is small and swims very fast.

**Danger:** Plastic and trash in the sea are dangerous.

## 3. The Wild Wolf

**Habitat:** It lives in the mountains and forests.

**Appearance:** It looks like a big dog. It has got grey fur.

**Danger:** Humans hunt the wolf. It is in danger.

# Digital Vocabulary Bank
