Hi Kostas,

You wanted to know about my school.

Well, it's not far from my home. It's a big building with many facilities. There's a library, a science lab, a theatre and there are also sports facilities. I like the football pitch the most! All my teachers are very good, but Monsieur Picard, the language teacher, is the best! All students learn English. English and Maths are my favourite subjects. We have Maths classes three times a week. I usually do my homework at the school library.

What about you? Tell me about your school.
