## Order the story.

1

*The scarecrow had a problem because the crows wanted to take his new straw.*

Twenty mice jumped out of the scarecrow's clothes.

The crows flew away and didn't come back.

The scarecrow let the mice live happily in his pockets.

The next day a crow went to take more straw.

A little mouse offered to help the scarecrow.

The scarecrow wanted to thank the mice and give them a gift.

The crows were scared, they thought it was a monster.

One day the crows pulled straw from the scarecrow and took it to their nests.
