double-decker, buzz, engines, overlooking, switch on, original, omnibus, climb, pull, tour, simulator, pretend, seat, enthusiast, push, range, hunt

Guide: Now are you ready? Let's start ourof the museum then. Well, here as the name of the museum tells you, you can find information about the history of transport in London. Let's turn right. Look, here you can see the first trams. In Victorian time, horses used to the trams and buses. This is a(n).....horse Come on kids, in this part of the museum you can see the buses and trains people used to have in the old days. You can..... on a train and..... to be a conductor or put yourself in the driver'sof the Londonbus. There are things to..... and pull, lights toand off, buttons to (a few minutes later) Let's go straight in the next room. Look! Here we are standing in front of some original steam trains. You can get in a trainwhere you can have the feeling of driving the train yourselves. (Sounds of.....). Now, are you tired? Let's play. There are all kinds of games. Let's play the treasure..... in the rooms of the museum. After that, you can visit the museum gift shop, which has copies of some best posters and books for the transportor visit the caféCovent Garden for aof delicious snacks and drinks.

In a **rack railway** system, trains have special cog wheels to cling on to the rack railway line at sections that are steep.

The **funicular** railway is a special type of railway that travels up and down steep slopes, with the carriages being pulled by a strong metal rope.
