

THE DOG LOVERS

So they bought you
And kept you in a
Very good home
Central heating
TV
A deep freeze
A very good home-
No one to take you
For that lovely long run-
But otherwise
'A very good home'
They fed you Pal and Chum
But not that lovely long run,
Until, mad with energy and boredom
You escaped- and ran and ran and ran
Under a car.
Today they will cry for you-
Tomorrow they will buy another dog.
